Digital Talking Bathroom Scale (ITEM#1052671)
Bilingual: English-Spanish

Owner's Manual

I. Before Using

Insert one 9 Volt battery into the battery compartment at the back of the scale. Use the language switch on the bottom side to toggle between English and Spanish. Place the scale on the hard, level ground.

Please balance yourself properly for safety.

II. Taking Measurement

- 1) Use one foot to tap on the measurement platform with at least five pounds of force. When it says "Hello"- remove your foot from the platform.
- 2) When it says, "I'm ready!" - step onto the platform. Your weight will be read out once you remain steady.
- 3) The scale will turn off within 10 seconds after you step off the platform. It will say "Goodbye!" when it powers off.

III. Switching to the Metric System

When the unit is on, press the metric button at the bottom of the scale to switch between metric system (kg.) and non-metric system (lb.).

IV. Turning off the Talking Function

Use the switch at the bottom of the platform to switch on/off the talking function.

V. Language Conversion

Use the language switch at the bottom of the platform to toggle between English & Spanish. Language change will take effect after the scale is off and then re-activated.

IMPORTANT NOTES
